Iowa Transportation Commission approves Statewide Transportation Enhancement Program funding

Ames, Iowa – January 13, 2009 – The Iowa Transportation Commission today approved approximately \$5.7 million for 16 Statewide Transportation Enhancement Program projects. The program was created with federal funds in 1991 to support projects in three categories: trail and bicycle facility; scenic and environmental; and historic and archaeological. This funding is available to cities, counties, state agencies, and nonprofit agencies through an annual application-based program.

Trail and Bicycle Facility:

<u>Project</u>	<u>Funding</u>
Flint River Trail (Des Moines County and Burlington)	\$555,745
